

SANT GADGE BABA AMRAVATI UNIVERSITY

BACHELOR OF SCIENCE SEMESTER-I (NEP) EXAMINATION OF WINTER-2026

PROGRAMME FOR THEORY

TIME : 02.00 PM To 04.00 PM

| DAY            | DATE       | SUBJECT                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
|----------------|------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Monday         | 02-11-2026 | <b>Computer Science</b> (112201 Fundamentals of Computer / #112200 Fundamentals of Computer) / <b>Computer Application (Voc)</b> (110201 Fundamentals of Computer / #110200 Fundamentals of Computer) / <b>Computer Application (Non-Voc)</b> (109201 Fundamentals of Computer / #109200 Fundamentals of Computer) / <b>Data Science and Analytics</b> (135201 Fundamentals of Computer / #134200 Fundamentals of Computer) / <b>Data Analytics</b> (112201 Fundamentals of Computer) / <b>Information Technology</b> (123201 Fundamentals of Computer / #123200 Fundamentals of Computer) / Web Designing & Development (138201 Fundamentals of Computer) / <b>Environmental Science</b> (114200 Fundamentals of Environmental Science) |
| Wednesday      | 04-11-2026 | <b>Electronics</b> (113201 Fundamentals of Electronics) / <b>Bio-Technology</b> (106201 Cell Biology) / <b>Bio-Chemistry</b> (103200 Biomolecules) / <b>Petrochemical Science</b> (128200 Basic Concept in Petro-chemistry)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Friday         | 13-11-2026 | <b>Physics</b> (129201 Gravitational and Rotational Dynamics / #129200 Gravitation and Rotational Dynamics) / <b>Zoology</b> (133201 Fundamental Biology of Invertebrates) / <b>Seed Technology</b> (131200 Basics of Seed Technology and Development of Career) / <b>Food Science</b> (116200 Foundations of Food Science )                                                                                                                                                                                                                                                                                                                                                                                                             |
| Monday         | 16-11-2026 | <b>Microbiology</b> (127200 Introductory Microbiology) / <b>Geology</b> (119201 General Geology and Mineralogy) / <b>Statistics</b> (132201 Descriptive Statistics / #132101 Descriptive Statistics)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Wednesday      | 18-11-2026 | <b>Botany</b> (107201 Foundations of Plant Science and Career Development)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Friday         | 20-11-2026 | <b>Mathematics</b> (126200 Algebra & Calculus) / <b>Apiculture</b> (100200 Introduction to Honey bee and beekeeping)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Monday         | 23-11-2026 | <b>Chemistry</b> (108200 General Chemistry-I)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Thursday       | 26-11-2026 | <b>Industrial Chemistry</b> (120200 Mole Concept and Material Balance) / <b>Bioinformatics</b> (104201 Introduction to Bioinformatics) / <b>Food Processing and Technology</b> / <b>Forensic Science</b> (117200 Basics of Forensic Science-1 / #117200 Basics of Forensic Science)                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| (# Old Course) |            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

(Note :- The Schedule is subject to corrections, if any)  
The Name of Examination centre is printed on Admission Card of the examinee.

AMRAVATI  
DATE : 07/09/2026
